1010data Hires Perry DeFelice as Director of Capital Markets Business Development

NEW YORK – October 26, 2009 – 1010data, providers of the hosted analytics and reporting platform of choice for mortgage and asset backed securities research and trading, has hired Perry DeFelice as director of business development for capital markets customers. In his new role Mr. DeFelice will develop analytical solutions for clients including investors, servicers, originators, insurers, ratings agencies, and regulatory entities.

“We are devoted to continuing to attract quality experienced people, like Perry, who are passionate about what they do,” said Greg Munves, vice president, 1010data. “His experience in leading the business development process in particular makes Perry a valuable addition to our leadership team and will help us continue to grow our position in the MBS/ABS market.”

Previously, Mr. DeFelice worked as a director in the non-agency residential mortgage finance group within Citigroup's Global Securitized Markets Division. At Citigroup, he developed capital markets solutions for mortgage market participants including securitization, whole asset trades, repurchase/warehouse financing, ABCP and synthetic risk transfer. Prior to Citigroup, he served as an Associate Director at Standard & Poor's, where he rated non-agency MBS transactions and developed MBS/ABS criteria. Mr. DeFelice holds B.S. and M.S. degrees in Civil Engineering from the University of Michigan and Cornell University, respectively, and an MBA in Finance from Columbia Business School.
